

Did you know?

- Almost 70% of us aren't active enough.
- Being active for just 30 minutes a day makes all the difference.
- Walking is one of the best ways to keep active.
- Walking is good for your brain and your body.
- One of the most common reasons for not walking is not knowing where you can go.

What is this leaflet?

This leaflet is one of a set produced through Wokingham Borough Council.

The maps show opportunities to walk short journeys, using paths through green spaces or quieter streets where possible. Average walking times are given to help you plan your journey.

About the walks

Many of the walks follow unsurfaced paths, including the sections around Maiden Erlegh Lake, towards Brookside Surgery, and the Loddon Bridge to Maiden Place walk.

There are steps on the Loddon Bridge to Maiden Place walk and the Winnersh Triangle Station to Woodley walk.
