

School Travel Survey

Dear Headteachers

We are asking all Wokingham Borough schools to undertake this simple school travel survey with every class in the school. This is a hands up exercise, asking pupils to identify how they travel to school and how they would like to travel.

Gathering this information will help your school understand how your pupils travel to school and what might help to encourage walking, cycling and scooting. This information is essential for your school travel plan. Schools that are already engaged with the Modeshift STARS platform can use this as their annual travel survey.

To complete the school travel survey online please use your school login for Modeshift STARS or use the word version on the next page. Both versions of the survey will ask for the same information.

If you have any questions or would like any additional information about the school travel surveys & Modeshift STARS, please contact the My Journey Team MyJourney@wokingham.gov.uk

Thanks for your continuing support! 😊

School Travel Survey 2022

Name of school	
Date of survey	
Name of class	
Year Group	
Number of pupils absent today	

Please record the number of pupils for the questions below.

How do you <u>usually</u> travel to school?		How would you <u>most like</u> to travel to school?
