

# Let's get moving this Walktober!

Get moving for our wellbeing, our community and our planet

This October, join schools across Wokingham in celebrating International Walk to School Month by encouraging everyone to travel actively and sustainably.

As we head into autumn, Walktober is a great way for pupils, families and staff to stay active and enjoy the outdoors by walking, wheeling, cycling, scooting, using Park and Stride or taking public transport.

With competitions designed to inspire, this initiative is suitable for every school to take part in. **STARS** schools can also use their participation as evidence towards accreditation.
